

Yellowstone Creation Adventure Bus Tour

September 5-11, 2019

The bus will leave Cairo on Thursday morning, September 5th. We will stop at Chimney Rock and the zoo in Scottsbluff before staying in Casper, Wyoming. We will arrive at Old Faithful Christian Ranch (less than 20 minutes from the Yellowstone west entrance) late Friday afternoon. Supper and an evening session with the Alpha Omega Institute will equip us for our adventures in creation. Saturday through Monday will be onsite Bible teaching as we explore Yellowstone National Park's geysers, hot springs, mud pots, beautiful scenery, geology, wildlife, and fascinating design features. There will be some shorter (easy) hikes at various sites while some longer hikes are available, if desired. An optional trip to Earthquake Lake is planned. Our last tour will be on Tuesday, as we explore Teton National Park on our way back to Casper for the night. The bus will return to Cairo Wednesday evening.

Hotel and food costs around Yellowstone are quite expensive, so the cost of staying Old Faithful Christian Ranch near Island Park, Idaho, is quite a blessing! They have rustic bunk houses with two sets of modern bath houses. The food is great. All meals are provided Friday evening through Tuesday morning. Each person will be able to make a custom sack lunch to take along on touring days. The only meal costs you will have is on our way to Old Faithful Christian Ranch and on our way home.
